Subject: Re: request to be allowed to present during the regular council meeting re: expansion of Lavigne road pit.

also another question sorry...are these meetings in person or live streamed or both?

I, Michelle St-Onge of 200 Lavigne road, would like to be placed on the Council agenda for delegation to Council for meeting of July 12th, 2022 with regards to the proposal to expand operations at the Lavigne road pit. Some of the families on Lavigne road have concerns and questions they would like answered.

Thank you.
