Monica.Hawkins clerk, East Ferris Municipality

This is further to Todd Wilcox e-Mail and our telephone discussion today.

I will attend council on Tuesday next as spokesperson in place of mr Wilcox.

Our groups questions to council are as follows:

1. (In view of Principal negotiator Doug Carr's zoom to council over a year ago)what does council know about the current status of A.L.C specifically regarding claimed parcels 302b, 83 F1, and F2, where certain alternatives where proposed.
2. Has mayor Rochefort or council officialy or unofficialy made any agreement with the government of Ontario on the ALC which would be "quid pro quo" for supporting the Land Claim of Crown Lands and Lands for Life Mattawa River Park in East Ferris Municipality ?
3. What is " The Active Transportation Committee " referred to by Jennifer Griffin Principal Negotiator of ALC ? What are the aims of this committee? Who is on it? How does it intersect with the Algonquin Land Claim as to claimed parcel 302b, 83 F1 83 F 2.

Reference her recent e-Mail to Todd and others including council.

Best regards,
Steve Horton

Thanks Monica.

I believe Steve Horton will ask some questions about the Algonquin Land Claim process in my place as I cannot make the meeting due to a family health situation.

Steve can confirm his intent.

Good morning Todd:

Hope the long weekend was a good one! Early August you had sent me an email to do a delegation to Council at the Regular Meeting of September 13th, 2022. I have you set up on my agenda for the presentation. Can you please advise if this is still a go, and if you have anything to circulate for your presentation, can you kindly forward to me before 4:30 p.m. tomorrow.

Thank you!

Monica L. Hawkins, AMCT
