Dear Mayor Rochefort:

On behalf of the Association of Municipal Managers, Clerks and Treasurers of Ontario (AMCTO), I am extremely pleased to announce that **Kari Hanselman** has successfully graduated from the Association's Diploma in Municipal Administration. Moreover, **Kari Hanselman** has been inducted into **AMCTO's Academic Honour Roll**, which recognizes academic high achievers from AMCTO's Diploma Programs. We believe that this is a tremendous accomplishment and should be regarded with pride by your municipality.

Founded in 1938, with a membership of more than 2,100 municipal professionals across the province, AMCTO is proud to be the largest municipal professional association in Ontario, with the mandate to provide high quality education and professional development programs, to foster municipal excellence in the province.

The Diploma in Municipal Administration is one of our career development programs that are specifically designed to provide an academic foundation specifically for Ontario's municipal professionals. Graduates of this Diploma Program are informed professionals with a comprehensive understanding of the complex and rapidly evolving municipal environment, who can immediately implement their knowledge and thus, have an integrated and positive impact on any municipal corporation.

To graduate from this diploma, **Kari Hanselman** has successfully completed the four elements:

We hope that you, and your colleagues on Council, will join us in congratulating **Kari Hanselman** on this significant achievement.
