

April 18<sup>th</sup>, 2023.

Mayor and Council,  
Municipality of East Ferris

Hi Monica,

I would like to be placed on the Council Agenda for the Regular Meeting of April 25<sup>th</sup>, 2023 as a delegation to Council.

I have concerns with Road Maintenance on Carriere Road. The following are dates where I had concerns with the maintenance:

- April 1/23 Carriere Rd not plowed after about 15-20 cm of snow, all the roads on this side of Hwy 17 were plowed.
- April 6/23 Grader arrived after 2<sup>nd</sup> snowfall and tried to plow over ice ruts and made a mess.
- April 12/23 Grader is trying to grade Frozen Road.
- April 12/23 Called township and left a message for someone to call me and as of this time and date no one has returned my call.

Thanks

Bob Warren 15 Carriere Rd.
