Subject: MTO_Re-06-08-2023: June 21 PAC/COA Files (Part 1 of 2)

Good morning Greg,

The Ministry of Transportation of Ontario (MTO) has reviewed:

- A-2023-05
- B-2023-10
- B-2023-11
- A-2023-06
- B-2023-07
- B-2023-08
- LSRA-2023-01

and has determined that the subject lands are not within MTO's permit control area, therefore, the MTO does not have any comments to provide.

The Ministry of Transportation of Ontario (MTO) has reviewed B-2023-09, with frontage on Highway 94.

The subject lands are located within the Ministry of Transportation's (MTO) permit control area and are be subject for review under the *Public Transportation and Highway Improvement Act R.S.O 1990* and may require proper permits from the MTO.

The MTO supports the proposed consent for severance application, to add purchased lands from 1326 HWY 94 to 1296 HWY 94. It is understood no new lots of record are being developed and no new accesses onto HWY 94 are being proposed.

As such, the client does not need to apply for permits with the MTO.

Thank you and have a nice day,

Aide
