### **3. Planning Review**

#### **A. Provincial Policy Statement**

The Provincial Policy Statement, (PPS 2020) was issued under Section 3 of the Planning Act, and came into effect May 1<sup>st</sup>, 2020. The Policy requires that decisions affecting planning matters “shall be consistent with” policy statements issued under said Act. The applicant’s proposal for a lot addition for one new rural lot is consistent with the PPS 2020.

#### **B. Growth Plan for Northern Ontario**

The Growth Plan for Northern Ontario 2011 was issued under the Places to Grow Act, which ensures a long term vision for strong communities while implementing policies directed at economic prosperity. The proposal is in conformity with the Growth Plan for Northern Ontario 2011.

#### **C. Official Plan**

The subject property is designated Rural in the Municipality of East Ferris Official Plan. The minimum lot frontage required is 60 m and the applicant is proposing approximately 100m of frontage for the severed lands. The Official Plan requires 0.8 ha for lot area. The applicant’s proposal would create a lot with approximately 1.0 ha of lot area. The retained lands would significantly exceed the required minimums.

Planning staff has reviewed the official plan policies surrounding consents as well as all other relevant policies and are of the opinion that the applicant’s proposal is in conformity with the official plan.

#### **D. Zoning By-Law**

The property is currently zoned Rural. The Rural Zone requires a minimum lot frontage for a residential use to be 60 m, and minimum lot area of 0.8 ha. Both of these requirements are exceeded by the application, with 100 m of frontage and 1.0 ha proposed for lot area. The retained lands also significantly exceed the minimum requirements.
