Dear Minister Calandra:

*Hello Minister Calandra,*

**Re: Responding to the Housing Affordability Task Force's Recommendations**

I would like to thank the Ministry of Municipal Affairs and Housing for seeking the input from the Municipality of East Ferris regarding the Housing Affordability Task Force Recommendations.

Please find attached the top 5 priorities for our community in keeping with the East Ferris Housing Plan that is also attached. As our #1 priority, you will note the request that the Municipality of East Ferris be considered for the 10% northern and rural component of the Building Faster Fund. We want to partner with the provincial government and build more homes in our community.

Sincerely,

*Pauline Rochefort*
