Understanding municipal government is to appreciate the range of services provided to residents and business community. It is the order of government closest to the people. [Local Government Week](#), October 15-21, is meant to educate youth on the importance and operation of municipal government, but one is never too old to learn.

AMO's [Baseline Waste & Recycling Report](#) reviews Ontario's current circular economy efforts. With only 10 years of disposal capacity remaining in Ontario, new waste diversion policy is required.
