Subject: FW: Economic Development

Good afternoon Lauren and Greg

I have to be perfectly honest in my decision to advise you that I feel that I am not a contributing member on the Economic Committee.

After considerable time to think about my role, I feel that I should resign from my position.

Please accept this as my Letter of Resignation dated February 13, 2024

I am very much a proud resident of East Ferris and hope that one day soon, I can find a position to serve the township like my previous role with the Planning board and Committee of Adjustment.

Sincerely

John O'Rourke
