3. Planning Review

A. Provincial Policy Statement

The Provincial Policy Statement, (PPS 2020) was issued under Section 3 of the Planning Act, and came into effect May 1st, 2020. The Policy requires that decisions affecting planning matters “shall be consistent with” policy statements issued under said Act. The applicant’s proposal for a lot addition for one new rural lot is consistent with the PPS 2020.

B. Growth Plan for Northern Ontario

The Growth Plan for Northern Ontario 2011 was issued under the Places to Grow Act, which ensures a long term vision for strong communities while implementing policies directed at economic prosperity. The proposal is in conformity with the Growth Plan for Northern Ontario 2011.

C. Official Plan and Zoning By-law

The subject property is designated Rural in the Municipality of East Ferris Official Plan and Zoned Rural by Zoning By-law 2021-60. The minimum lot frontage required is 60 m and the applicant is proposing approximately 76m of frontage for the severed lands. Lot area is required to be 0.8 ha. The applicant’s proposal would create a lot with approximately 1.2 ha of lot area. The retained lands would be approximately 40 acres with significant frontage remaining along Corbeil Road.

The proposed lot is not within 300m of Lake Nosbonsing, so additional planning policies relevant to the lake are not applicable in this instance.

Planning staff have reviewed the official plan policies surrounding consents as well as all other relevant policies and are of the opinion that the applicant’s proposal is in conformity with the official plan.

- 8) That all conditions must be filled within two years from the date the notice of decision has been given otherwise this provisional consent will lapse and the application for consent shall be deemed to be refused as per Section 53 (41) of the Planning Act, R.S.O. 1990, c.P.13, as amended.

Respectfully Submitted,
