RE: Letter of Support for Youth Wellness Hub Ontario Application

I am writing to express (municipality's name), support for the Elmwood Youth Hub in its application to be designated and funded as one of Ontario's Youth Wellness Hubs.

As a representative of [Municipality Name], I am pleased to endorse the establishment of a Youth Wellness Hub in our region, recognizing the immense value it holds for the well-being of our youth. The YWHO aligns seamlessly with our municipal goals to create a supportive environment that nurtures the physical and mental well-being of our youth population.

Providing programming and activities for youth is challenging for municipalities and we believe the proposed hub has the potential to become a central resource for our youth, offering them the support and tools needed to navigate the complexities of adolescence and young adulthood. Furthermore, we look forward to ongoing engagement with hub representatives to offer programming and activities in YWHO pop ups in our community.

Activities for youth is a significant gap in our community, we urge you to provide our youth with a safe place to go where they can make meaningful connections and learn to become independent and better connected to their community and those who live in it.

Sincerely,

NAME, TITLE
MUNICIPALITY
