**Attachments:** Phase Two Letter of Comment - EB-2024-0111 .pdf

Good Morning                      Please share with Council and Senior Management

Attached is the draft letter of comment, a document of significant importance that the FONOM Executive urges the Council to consider adopting.

The letter includes themes of access to affordable energy, the importance of affordable energy for growth, and a measured energy transition – similar to the themes that Enbridge brought forward for Phase One and in deputations from various municipal perspectives for the **Keeping Energy Costs Down Act**. Our suggestion to municipalities is to provide a comment letter so the critical issues are included on the record and in your impactful voice.

Allow me to guide you through the process of submitting a Letter of Comment to the OEB. The attached PDF of the Procedural Order provides detailed instructions.

PO 1\_EGI\_Rebasing\_Phase 2\_20240426.PDF

Here are a few critical points for submitting a letter:

- Please quote file number, EB-2024-0111 for all materials filed and submit them in searchable/unrestricted PDF format with a digital signature through the OEB's online filing portal.
- Filings should clearly state the sender's name, postal address, telephone number and e-mail address.

If you have any follow-up questions, please contact Kristen at [807-252-8417](tel:807-252-8417) or [Kristen.Oliver@enbridge.com](mailto:Kristen.Oliver@enbridge.com), and she will respond as soon as possible.

Thank you again for your time and for bringing this to your Council.

Please let me know if you wish me to send you a WORD version of the Letter.

Talk soon, Mac.
