Mayor
Municipality of East Ferris
390 Highway 94
Corbeil, ON P0H 1K0

Dear Mayor Rochefort,

I am writing to inform you of impending changes to Highway 94 within the Municipality of East Ferris.

The existing 60 km/h speed zone that stretches from 550 metres east of Treadlightly Drive to 250 metres east of Ridgemount Drive will be extended 240 metres easterly towards Highway 17. This extension will necessitate revisions to the adjacent 80 km/h zone.

The Operational Traffic Engineering Section of the Ministry of Transportation is recommending that the existing speed limit regulations be updated to reflect the highway changes.

Pending ministerial approval, the changes will be implemented. An illustration is attached for reference.

Should you have any further questions or concerns, please do not hesitate to contact me, by email at chris.pascos@ontario.ca.

Sincerely,
