Subject: April 23rd Council Meeting Agenda

Dear Ms. Hawkins,

Hello my name is Glenn Brophey of 214 One Mile Road, Corbeil. Earlier today I had a quick visit from Pauline Rochefort as we talked about One Mile Road and the ongoing changes in our area. Our discussion was centred around arranging for similar services to those proposed for the new residents of One Mile Road that are part of the subdivision proposal.

Pauline advised that I should drop you an email requesting to get on the agenda for the April 23rd council meeting at which point we would intend to make a presentation to council on this topic. If you are able to get us on this agenda, could you please let me know if there are any presentation guidelines to follow (time limits?), infrastructure available (projector?), etc.

Thanks for your time,

Glenn
