

## Municipality of East Ferris

### Report to Council

Report No.: R-2019-12

Date: August 13, 2019

Originator: Antoine C. Boucher, Municipal Engineer

Subject: Surface Treatment – RFQ Groulx Road Patches

---

#### RECOMMENDATION

That the request for quote for Surface Treatment of Groulx Road patches in the amount of \$36,673.00 excluding H.S.T. be awarded to Duncor Entreprises Inc.

---

#### BACKGROUND

A request for quote to complete Double Surface Treatment on various patches on Groulx Road was sent by invitation to Miller Paving North Bay, Greenwood Paving and Duncor Entreprises on July 31<sup>st</sup>, 2019. Only two (2) provided a quote to complete the work.

---

#### ANALYSIS/OPTIONS

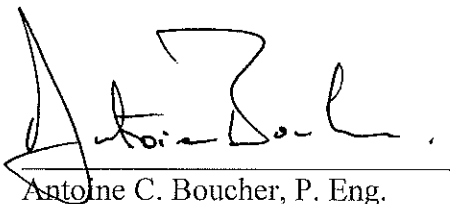

Bruell Contracting has been purchased by Duncor Entreprise earlier this year, resulting in only three (3) contractors providing Surface Treatment services for our region.

The recommendation is to award the work to the lowest bidder being Duncor Entreprise Inc.

	<u>Price</u>	<u>HST</u>
Miller Paving North Bay	\$38,688.00	Extra
Duncor Entreprise Inc.	\$36,673.00	Extra

Respectfully Submitted,

I concur with this report and recommendation.
