Good morning Rick, hope all is well.

I wish to advise you that your application to sit on the Parks, Recreation and Culture Committee was brought to Council last night and unfortunately your application was unsuccessful. Although Council did not accept your application to the Recreation Committee, Mayor Rochefort asked that I forward you the e-mail below received from her.

From Mayor Rochefort:

If appropriate, when speaking with Richard Champagne, could you share with him the following message or forward the email to him.

It would be wonderful if Richard put his name forward for the Centennial Celebration Committee. The Municipality's Centennial Celebration is going to become a very important Committee in the next year and well into 2021, and requires community leaders. The Celebration will specifically focus on Corbeil and Richard and his family are an integral part of its history. In fact he has already started work on identifying the founders that we want to recognize. Richard's enterprising nature and leadership qualities are exactly what we need if we are going to deliver on our Centennial Celebration. It would be a pleasure to work along with Richard on this important project...and I do hope he will say YES!

Pauline Rochefort
