**Subject:** Request to Address Council at September 10th 2019 Council Meeting

Hi Monica,

I hope you are having a great summer! Please be advised that I am requesting to address Council at the September 10th, 2019 Council meeting. I would request to speak at the meeting on August 13th but will be out of town.

In order for myself and other East Ferris residents to be better informed, I would like to address Council regarding the letter that the Municipality's lawyer sent to LPAT with regards to my appeals. I would like to know why the Municipality is getting involved in this appeal when I was informed by Greg Kirton that this case would most likely only involve myself as the appellant, and the developer. I would also like to know who on Council precipitated this legal action, and where the money is coming from to cover the Municipality's legal fees involved in this situation (such as our tax dollars?)

If I am making this request too early, please let me know and I will resend in a more timely manner.

Thank you and have a great long weekend!
