Guest Column*

Ontarians pay the highest policing costs in the country. On behalf of property taxpayers, AMO is advocating for policing regulations that can improve the effectiveness and efficiency of policing. In AMO's [Watchfile Guest Column](#), Dr. Christian Leuprecht makes the case for civilianizing non-core policing to help manage pressure on the property tax dollar and improve effectiveness.

AMO Matters

Municipal governments are expected to provide public-facing services and respond to requests from residents. Citizen relationship management (CRM) technology can help you manage these interactions with residents online. Join us on Thursday, November 28 at 12 pm for a [free webinar](#) where we will be announcing our new partnership with Frequency Foundry, AMO's preferred provider of digital CRM solutions.

Provincial Matters

MMAH has written to municipalities about the Municipal Modernization Program first intake which is now open for expressions of interest until December 6. The province is providing up to \$125 million through 2022-23 to help municipalities achieve efficiencies. In the first intake, municipalities can apply individually or collectively, to undertake independent third-party reviews. Future intakes will be aimed at implementation. Questions can be directed to Municipal.Programs@ontario.ca.

The Ministry of Environment, Conservation and Parks has [launched consultations](#) on the Blue Box. The first webinar takes place on November 27. To register, please contact Marc Peverini at Marc.Peverini@ontario.ca.
