Re: Sponsorship 2020 Ribfest

Hello,

Preparations for the 2020 Ribfest are underway and on behalf of the Community Organizing Committee and sponsor East Ferris Knights of Columbus, we seek the sponsorship of the Municipality of East Ferris in a similar amount as 2019 (\$3,000.) The Ribfest is being positioned as part of the community's Canada Day celebrations and will be held on Sunday July 5th (Canada Day this year is on a Wednesday.) The proposed format is the same as last year and involves residents in the organization and hosting of a family friendly program.

At the Municipality's request, the Ribfest has been relocated to the East Ferris Community Centre. A request to waive the rental fee has been sent to the Parks, Recreation and Culture Committee. The Ribfest is concerned by the impact of the change of venue on its revenues and welcomes the Municipality's sponsorship in support. There are also increased costs e.g. the insurance policy we personally assume has doubled. Nonetheless there are other benefits to holding an indoor event and we are very grateful for the support of the Municipality.

I await your response,

Michel Voyer
