WELCOME TO EAST FERRIS

**Opportunity,
community and
quality of life
make East Ferris
a spectacular
place to work,
live and play.**

A rural, residential community within easy access to urban amenities, the Municipality of East Ferris offers an ideal balance between business opportunities and lifestyle.

Located in the Northeastern Ontario just 20 kilometres east of the City of North Bay, the Municipality of East Ferris is situated along the shores of Trout Lake and Lake Nosbonsing and is composed of the Community of Astorville and the Community of Corbeil.

The Municipality has experienced steady growth and currently has a population of over 4,800. This continued growth is a true reflection of the residents, the community spirit, and the many benefits associated with living in East Ferris. Its bilingual history and traditions are deeply rooted in the Municipality's annual activities, events and community development initiatives.

A balanced approach to economic development and quality of life.

The Municipality of East Ferris continues to build on its economic foundation through the advancement of new projects and ideas that foster continued growth and development. Municipal staff are committed to providing services that assist with the establishment of new businesses and support the growth of existing businesses within the community, a priority that has been identified by Council.

From industrial and commercial to home-based ventures, a variety of business choose to establish operations in East Ferris. Businesses benefit from the cost advantages of lower tax rates and reduced land costs, while capitalizing on the extended reach and access provided by close proximity to North Bay's larger urban market and transportation systems. The current business mix includes manufacturing, commercial services and home-based industry.

East Ferris has witnessed a rise in home-based businesses as infrastructure continues to grow, including entrepreneurial ventures ranging from service providers to companies shipping products across the globe. As Economic Development initiatives continue to develop, East Ferris is committed to working with partnering organizations to provide strong support and assistance that encourages entrepreneurship and small business startups. Employment opportunities in East Ferris require very reasonable commuting distance for individuals residing within or outside of the community.

The variety of lifestyle opportunities for residents and business owners that are right in their backyard are additional enticements that draw people to the area. Access to year-round recreation, wide open spaces, and room to move and expand are just some of the factors that ideally position East Ferris for growth. Situated between two large bodies of water (Trout Lake and Lake Nosbonsing), and with the fresh northern air, East Ferris offers amenities needed for work or for play.

LOCATION

The Municipality of East Ferris is located in Northeastern Ontario in the District of Nipissing and is composed of the Community of Astorville and the Community of Corbeil.

Situated 20 kilometres from the City of North Bay, the Municipality offers the advantages and qualities of a more rural landscape with quick and easy access to urban amenities, markets and transportation hubs. It is approximately three-and-a-half hours north of Toronto, Ontario, and approximately four hours west of Ottawa, Ontario.

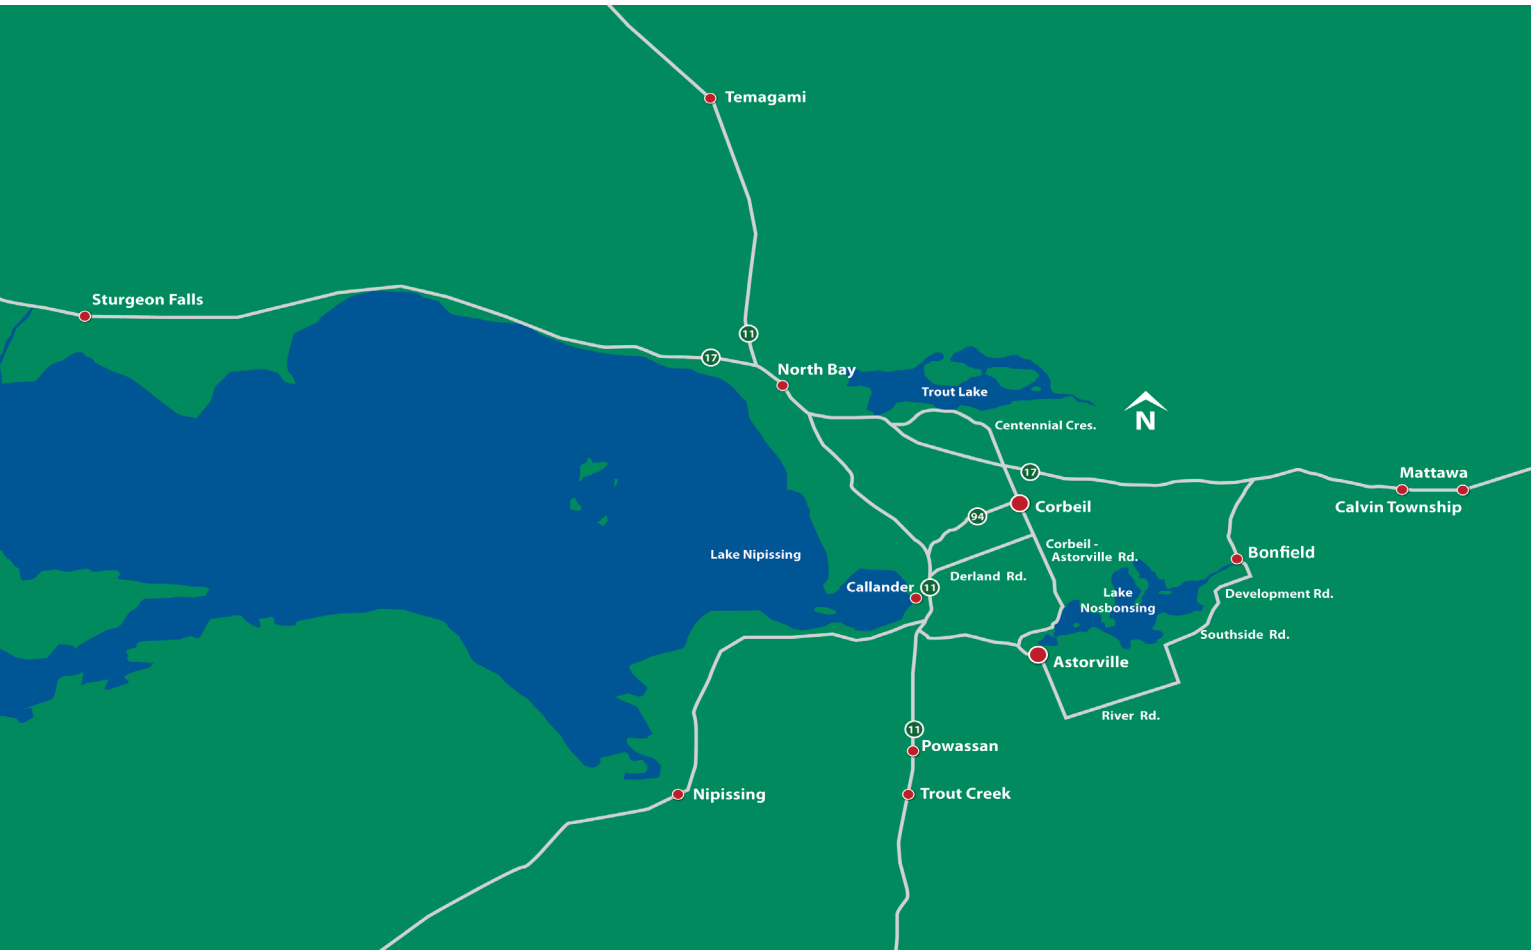

Trans-Canada Highway 17, Canada’s east-west artery, passes through the municipality opening up connections to Ottawa and Quebec to the east and North Bay and Sudbury to west. East Ferris also borders Highway 11, which provides four-lane access to Toronto and other Southern Ontario markets.

With a population density of 30.6 per square kilometre, East Ferris covers 155.17 square kilometres of land area within the 17,103.78 square kilometre District of Nipissing. The District area incorporates 133 townships, with North Bay representing the urban hub.

With its close proximity to North Bay, East Ferris is a short distance to major bus lines, rail and air transportation.

REGION

The Municipality of East Ferris is centrally located within a trading region with a population of 112,000, and it continues to foster strong relationships with regional community partners. The following map provides an overview of the trading area and indicates where the regional community partners are situated in relation to East Ferris.

COMMUNITY IMPROVEMENT PLAN

East Ferris has a unique and vibrant entrepreneurial community and to stimulate continued growth the municipality developed and adopted a Community Improvement Plan in 2018. The purpose of the community improvement plan is to create a mechanism to promote investment, generate economic development, encourage affordable housing and increase tax assessments.

A number of programs have been developed within the Community Improvement Plan in order to foster economic development and encourage long-term private sector investment within the Municipality of East Ferris. These programs are in effect for the initial five-year period (2018-2022), however, Council has the ability to adjust financial incentive programs during annual budgetary reviews. The following suite of programs are available through the Community Improvement Plan:

- Entrance & Façade Improvement Grant
- Signage Improvement Grant
- Municipal Fee Grant Program
- Tax Increment Based Financing

More information about the plan can be found on the municipal website.

PLAY IN EAST FERRIS

A four-season destination, East Ferris is a mecca for all types of outdoor recreation and activities. From fishing to camping, to snowmobiling and skiing, East Ferris offers something for every outdoor enthusiast.

A variety of indoor activities takes place at the Corbeil Park Hall and includes line-dancing, Tai Chi and Zumba. Other activities that occur throughout the region and at the East Ferris Community Centre include curling, skating, and hockey.

Club Action 50+ East Ferris, the municipality, and the local snowmobile club (South Shore Restoule Snowmobile Club) also provide activities for the community to participate in.

Whether it be snowshoeing in the winter or hiking in the summer, East Ferris trails have become a major attraction. The Corbeil Nature Walking Trail is located behind the Municipal Office at 390 Hwy #94 and is a popular place among area residents. The Wasi Cross Country Ski Club offers groomed trails for cross-country skiing buffs throughout the region. With a chalet to warm up in after a picturesque ski, the trail system provides adventure for beginners to avids alike.

Trout Lake is a long narrow lake that is approximately 11 kilometers/7 miles long and 4 kilometers/2 miles wide with an average depth of 196 feet/60 meters. Lake Nosbonsing is approximately 11 kilometers/7 miles long at the longest point with varying width and many back bays. Both lakes offer beaches and public access for launching a watercraft.
