Dear Mayor Rochefort and Councillors,

On behalf of Near North Crime Stoppers, we would like to thank you for participating in Crime Stoppers month. Your proclamation and promotion of our program is very much appreciated. The video message produced by EFPolice Services Board and Mayor Rochefort regarding community safety, with reference to Crime Stoppers was effective in educating your citizens. Very impressive!

This year's theme, "Helping All Communities Stay Safe", emphasizes the importance of working together, especially during these challenging times, to raise awareness about reporting suspicious, or criminal activity anonymously. Please take pride in knowing that your commitment to mobilizing citizens to help prevent and stop crime is building safer communities. Thank you again for your partnership.

Yours in crime fighting,

*Harry Patterson*
