Dear Contributor,

We are writing to thank you for preparing a written submission for the Long-Term Care COVID-19 Commission. The information that you provided helped inform the Commission's understanding of the issues it was asked to investigate. Please extend our sincere thanks to any colleagues who assisted you.

This investigation has been different and perhaps even unprecedented in many ways. It involved investigating a severe and evolving health crisis as it was still underway. We recognize that the thought and care you took to prepare a written submission may have taken you away from other priorities in your work or your personal life. We also recognize that you prepared these submissions at a time when you or the organization you work for was grappling with the impact of the pandemic. We very much appreciate your decision to take the time to share your insights about the spread of COVID-19 in long-term care homes and your suggestions for improvement.

As you may know, our final report has been posted on the Commission's website at [www.ltccommission-commissionsld.ca/report/pdf/Ontarios Long-Term Care COVID-19 Commission Final Report.pdf](http://www.ltccommission-commissionsld.ca/report/pdf/Ontarios_Long-Term_Care_COVID-19_Commission_Final_Report.pdf), but it is not yet available as a printed copy. In recognition of the time and effort you put into preparing a written submission for the Commission, we would like to offer you a printed copy. If you would like a hard copy of the final report, please use this link <https://www.surveymonkey.com/r/BJSL8GN> to let us know your mailing address by
