Dear Mayor Rochefort:

Every year, more than 2,100 North Americans are killed or seriously injured because of unsafe behaviour around tracks and trains. Most of these incidents and deaths are preventable. By looking out for each other and working together, we can help keep our communities safe and prevent fatalities and injuries on or near railway property.

As a responsible railroad that links communities to markets around the world, CN continues to play its essential role in the economy. We also continue to take all necessary steps to protect our employees, communities, customers, vendors and partners, in response to the continued and unprecedented challenges associated with the pandemic. As we safely serve our customers and keep the economy moving, we remain committed in our efforts to educate the public on rail safety.

Rail Safety Week will be held in Canada, the United States, and Mexico from September 20 - 26, 2021. Once again this year, our in-person activities may be restricted, yet efforts to get the rail safety message out will be stronger than ever. Rail safety never takes a break and, as proud neighbours, we continue to work with *Operation Lifesaver*, our communities and local authorities, CN Police Service officers and all CN employees to

help prevent accidents and injuries at rail crossings, and ensure everyone's safety on and around railroad infrastructure year-round.

Rail Safety is a shared responsibility

No one wants such tragedies to occur in their community. Your council can be a powerful ally in this effort to prevent these incidents and save lives by adopting the attached draft proclamation. Please send a copy of your proclamation by mail or by e-mail to Marie-Pier.Triganne@cn.ca and let us know about your plans to promote rail safety in your community.

If you have any questions or concerns about rail safety in your community, please contact our Public Inquiry Line at 1-888-888-5909. For additional information about Rail Safety Week 2021, please consult cn.ca/railsafety or operationlifesaver.ca.

Sincerely,

Stephen Covey
Chief of Police and Chief Security Officer
