### Eye on Events

If you have already registered for the 2021 AMO Conference, thank you for your support. It's your participation in the AMO Conference that makes it a truly important annual event. The 2021 AMO conference promises to set the bar even higher than 2020 including providing you the opportunity to connect with Government, the Official Opposition and other party leaders and MPPs in a way that draws a direct line to your local priorities. For more information and to register today visit the [AMO Conference site](#).

The necessity to honestly and transparently face the issues of human rights, diversity, equity and inclusion should be a top priority of all councils. AMO has developed training

to help members better understand these important and complex issues along with their roles and obligations. [Join us September 9](#) for this important session. Space is limited.

4S Consulting Services, AMO's occupational health and safety service partner, is offering [JHSC online training](#) at member [preferred pricing](#). Use the code **AMO2021** at checkout.

## **LAS**

What are your plans this summer? We hope reading is one of them. Our LAS staff has put together [a book list](#), which we hope will give you some ideas on what to add to your own list.

One third of Ontario's municipalities use LAS' [Energy Planning Tool](#) to track and report energy consumption and their energy programs. [Check out this short video](#) to learn how to use EPT to generate your annual report. While you're at it, now's a great time to update your Council with the built in energy analytics.

Annual energy reports under [O. Reg. 507/18](#) are due to the Ministry of Energy, Northern Development and Mines on July 1, 2021. [Log in to the portal](#) to submit your 2019 consumption values.
