Pauline provided an update on the November 27<sup>th</sup> event. We have confirmed use of Sacred Heart Church for the play, and the old St. Theresa School for the Art Show and other events. Pauline suggests using the entire school for the event and utilizing the space available to hold the municipal aspect of the event as well. The committee will look into renting large tents to provide additional space.

The next step is to determine the capacity of each room at the school.

The Committee will meet again on August 10<sup>th</sup>, 2021 at 2:00 p.m. via Zoom.
