

Northern Ontario Transportation Task Force

March 3rd, 2022

To: Heads of Councils, their Council colleagues, and Senior Municipal Staff

In January, I was pleased to hear Minister Mulroney announce the Northern Ontario Transportation Task Force (NOTTF).

During our initial discussions with ministry staff regarding the Task Force, I stressed the importance of these discussions, be held in the North by people of the North. Minister Mulroney heard this message, and in appointing Mayor Landry, Chair of the Northwestern Ontario Municipal Association, and myself as President of The Federation of Northern Ontario Municipalities, the Minister ensured all northern Ontario municipalities have the opportunity to participate and provide input.

Several northern Ontario municipalities have their respective associations, and every district association in the northeast has a FONOM Board member representing their interests. Further, our largest municipalities in the northeast, North Bay, Timmins, Sudbury, and Sault Ste. Marie have a FONOM representative and district representative available to gather their input.

The NOTTF will also be contacting many local transportation experts within our membership area to provide their input and expertise to the task force.

I encourage all municipal councils, airport boards, transportation committees to reach out in writing to your FONOM Board members or directly to our FONOM office with your concerns about our suggestions for the NOTTF.

I also ask our municipal membership to reach out to their local road safety coalitions, school safety groups, and other interested parties to make them aware of the opportunity to provide input.

Please provide all submissions to fonom.info@gmail.com , which will be provided to me, and I will present to the entire task force membership. To share thoughts with the Ministry please send submissions to NorthernTransportationPlan@ontario.ca

Sincerely,

Danny Whalen
President
