This is a fabulous gathering place for families. Lots of room for different activities without being crowded. A beautiful view of the lake and lots of natural light. It's on a quiet road which is good for walks. Highly recommend.

Great cottage! Perfect location for winter activities including ice fishing and snowmobiling. The location is easy to get to and not far from North Bay. The cottage setup is great and lots of space for two families. Chaitanya was very friendly and responsive to all our questions. We had no issues the whole time there, very easy to check in/out.
