Dear Mayor Rochefort:

It was through the leadership of our citizens and our municipalities that we now have access to state-of-the art health centre, close to home. We are grateful that the Township of East Ferris is continuing to honour its municipal commitment of \$750,000 with an annual pledge payment. Thank you for your pledge payment of \$25,000 in January 2022.

This letter is a reminder of your 2022 installment. To date, your contributions total \$613,750.

Thanks to your investment we continue to evolve; and today, the North Bay Regional Health Centre (NBRHC) is an accredited, unique health services provider with three primary roles. We provide acute care services to North Bay and surrounding communities, we are the district referral centre providing physician specialist services to the area, and we are northeast Ontario's specialized mental health service provider.

NBRHC practices continuous quality improvement involving patients, staff, physicians and volunteers in improving the delivery of care. The Health Information System (HIS) Project, also known regionally as One Person. One Record. One System. It is a collaborative effort amongst 23 hospitals in the NE region to enhance patient care by creating a single system to digitally share patient records. This technology will enable high-quality clinical care.

In 2020/2021, our Emergency Department had over 42,850 visits, 2,839 Chemotherapy Treatments performed, Labour & Delivery saw 768 babies born, Telemedicine had 2,624 visits, Laboratory performed over 1,000,000 tests, 46,050 COVID swabs and Diagnostic Imaging saw 8,187 MRI scans.
