### **Important ROMA Zone Meetings: Briefing on Opportunities for Rural Ontario in a Post-Covid World**

With the launch of the ROMA Board of Director's action plan on [Opportunities for Rural Ontario in a Post-Covid World](#), the Board committed to engage with the membership on the strategies and next steps to implement the plans 23 recommendations.

#### **Share Your Input on Housing**

A first step in developing the action plan was striking the **Rural Attainable Housing Task Force** to develop policy solutions and strategies on attainable housing that consider the realities of rural Ontario. To assist the Task Force in its work, the ROMA Board is asking its members for input. The following [survey](#) will take five minutes to complete and will provide valuable information that will be instrumental to the work of the Task Force.

#### **Attend a Zone Meeting**

Now, the Board has scheduled meetings with each of the ROMA Zones to provide a focused briefing on the Board's action plan, the thinking behind the recommendations and the strategies and advocacy to move them forward.

ROMA Chair and Mayor of Westport, Robin Jones and the action plan author, Kathy Woods, CEO of Pivotal Momentum, will host these important discussions.

Below you will find the date, time and link to collective Zone briefings. Please feel free to attend any of the scheduled briefings if the timing for your Zone does not work for you.
